Webinars for Au Pairs

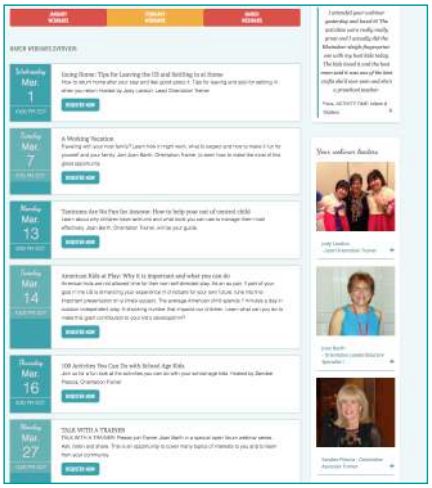
Helpful Tips for your Year in America

Join us for our free online webinar sessions throughout the year. These informative sessions, that run between 30 to 45 minutes, are designed specifically for you, giving you important tips that will help you get the most out of your year!

These webinars are hosted by your orientation trainers and you will receive emails throughout the year inviting you to register. **Sign up for as many as you'd like!**

Webinar topics include:

- Travel tips
- Homesickness
- Dealing with stress
- Communicating with your host family
- Ideas for kids' activities
- and much more!



Visit our Au Pair Webinar site for topics, dates/times and to register:
