

You are now coming to the end of your stay as an au pair in America. We truly hope it has been a great experience for you and that you have many wonderful memories to look back upon. Perhaps you will return at some future point to visit your host family or friends you have made. You may even want to apply for a second time – check out www.aupairinamerica.com for further details.

Au Pair in America's London office is looking forward to welcoming you home with your personal "Certificate of Completion". To ensure that you receive it, please let us know, if the home address in your home country has changed during the time you have been in the US.

Best wishes as you return home!
